

# 流程图 Flow Chart

## 干燥中心接口设备 Drying Center Peripheral Equipment

## 粗糠型接口设备 Husk-type Peripheral Equipment

## 图标项目说明 Legend

- |                |                                       |
|----------------|---------------------------------------|
| ① 搁板输送机        | Metal chain plate conveyor            |
| ② 玉米种子用脱粒机     | Corn sheller                          |
| ③ 卸料坑          | Wet paddy loading chute               |
| ④ 粮食清选机 SPC-50 | Pre-cleaner SPC-50                    |
| ⑤ 谷物提升机        | Bucket elevator                       |
| ⑥ 湿谷桶          | Wet grain silo                        |
| ⑦ 埋刮板输送机       | Chain conveyor                        |
| ⑧ 通风式干燥机       | Ventilating grain dryer               |
| ⑨ 循环式干燥机       | Circulating grain dryer               |
| ⑩ 旋风集尘风机       | Cyclofan                              |
| ⑪ 干谷桶          | Dry grain silo                        |
| ⑫ 参考型水份计 携带式   | Moisture reference meter Portable     |
| ⑬ 单粒水分计        | Single kernel moisture tester         |
| ⑭ 稻米外观质量判别机    | Rice quality scanner                  |
| ⑮ APP智农监控系统    | Smart-Agri monitoring system          |
| ⑯ 干燥中心主控制箱     | Main control box                      |
| ⑰ 旋风集尘器        | Cyclone                               |
| ⑱ 集尘室          | Dust collecting room                  |
| ⑲ 重力沉降室        | Dust collecting room by gravity       |
| ⑳ 喷水除尘室        | Dust collecting room with water spray |
| ㉑ 刮泥机          | Mud scraper                           |
| ㉒ 送粗糠设备-吹送     | Husk blower                           |
| ㉓ 粗糠储存桶        | Pre husk tank                         |
| ㉔ 炉前粗糠桶        | Husk tank                             |
| ㉕ 粗糠炉          | Husk furnace                          |
| ㉖ 转接风箱         | Transfer chamber                      |
| ㉗ 滤袋集尘机        | Bag filter                            |
| ㉘ 排气风机         | Exhaust fan                           |
| ㉙ 灰烬桶          | Ash tank                              |

\*因接口设备众多，仅列举部份，未出现之设备请洽三久服务中心。  
Only some peripheral equipments are listed here. Please contact a SUNCUE distributor for other equipments.
